

Flora-Zymes (Item #1003)

Natural, Plant-Derived Digestive Enhancement

Recommended Three Times Daily, With Each Meal

Flora-Zymes is a combination of four plant-derived digestive enzyme complexes, in addition we have added acidophilus and bifidus (pro-biotics).

What are Digestive Enzymes?

Enzymes are essential to food digestion because they break down food particles and absorb nutrients into the body. Fresh and raw fruits and vegetables are abundant in enzymes. However, cooked and processed foods lack the enzymes necessary for a healthfully functioning body. Food that is not completely digested will, over time, contribute to a variety of health concerns such as:

- ✓ Food Allergies
- ✓ Bowel Malaise
- ✓ Obesity
- ✓ Immune System Diseases

What are the different enzyme complexes present in Flora-Zymes?

The four enzymes present in Flora-Zymes each serve a specific purpose:

- ✓ Amylase aids in the digestion of starches (carbohydrates).
- ✓ Protease aids in the digestion of proteins.
- ✓ Lipase aids in the digestion of fats.
- ✓ Cellulase aids in the digestion of fibers.

What are Probiotics, Acidophilus, and Bifidus?

Probiotics: friendly bacteria that inhibit the growth of harmful bacteria, increase immune system health and promote healthy digestion.

Acidophilus: a strain of probiotic bacteria that promotes intestinal health and protects against potentially harmful organisms.

Bifidus: a strain of probiotic bacteria that is important in immune response. It promotes colon health and pH balance in the colon. Bifidus is found in human breast milk and can help prevent many digestive disorders.

What is the recommended dosage of Flora-Zymes?

Most individuals take two Flora-Zymes with every meal. Up to four capsules may be taken with meals to aid in digestion. Many individuals also find benefit in taking three or four capsules at bedtime, which is a good time for the bifidus to balance the pH of the colon. As with any supplement, achieving the best results from Flora-Zymes may require a change in lifestyle. Maintaining a healthy diet, exercising the body and mind, limiting alcohol intake, avoiding cigarette smoke and taking supplements are just a few ways to improve overall health.

Ordering Information

Flora-Zymes (Item #1003) is priced at only: \$25.00 for one bottle of 180 Vegi-Capsules
