

## **EssiaCaps (Item #8550)**

*Superior Immune Response Support*

---

### **Recommended as an On-Going Immune Support Protocol**

#### **What is Essiac?**

Essiac (es-ee-ack) is an herbal tea remedy attributed to Nurse Rene M. Caisse of Canada who named her herbal remedy "Essiac" after backward spelling of her last name. Caisse claimed the source of her recipe was a native Ojibwe medicine man. Rene successfully treated cancer patients with her Essiac remedy for 50 years, *Rene M. Caisse Cancer Clinic* operated from 1934 until 1942.

Essiac contains a blend of four herbs; Burdock, Sheep Sorrel, Slippery Elm Bark, and Turkey Rhubarb. Together, these four herbs aid in cleansing the body, eliminating toxins, promoting cell repair, delivering oxygen to cells and helping with effective assimilation. Cancer patients have been using this formula of Essiac for over eighty years to help improve their health.

#### **What is the difference between Essiac Tea and EssiaCaps?**

EssiaCaps are just as effective as the tea. The capsules are made with extractions of four standardized herbs to provide superior delivery. Taking EssiaCaps eliminates the taste of the tea, the time needed to brew it and the inconvenience of having to drink it many times throughout the day.

#### **What is special about the four herbs used in EssiaCaps?**

##### *Burdock Root*

Burdock Root has been used for centuries to help purify the blood and eliminate toxins from the body. It contains Vitamin B complex and Vitamin E and can be helpful in cleansing the respiratory, lymphatic, urinary and circulatory systems.

##### *Sheep Sorrel*

Sheep Sorrel has been used as an astringent and diuretic. It contains Vitamins A, B complex, D, C, K and E. It also has significant levels of calcium, iron, silicon, magnesium, zinc and iodine. This herb is high in antioxidants that help protect the cells from free radicals.

##### *Slippery Elm Bark*

Slippery Elm Bark has also been used to remove toxins from the body. This herb contains Vitamins A, B complex, C, K and P. It also has high amounts of calcium, magnesium and trace amounts of zinc. Slippery Elm Bark has been used for hundreds of years to help revitalize the entire body.

##### *Turkey Rhubarb*

Turkey Rhubarb has been used to cleanse the body of waste and food. The herb contains Vitamins A, B complex, C and P. Zinc, Sulfur, Magnesium and Iron are also present in this herb. Turkey Rhubarb is considered an astringent that aids in the contraction of body tissues and canals.

**Suggested Dosage:** Most individuals take three capsules daily. Simply taking one bottle of EssiaCaps may not be enough to see significant changes. As with any supplement, achieving the best results from EssiaCaps may require a change in lifestyle. Keeping an extremely healthy diet, exercising the body and mind, limiting alcohol intake, avoiding cigarette smoke and taking supplements are just a few ways to improve overall health.
