Product Overview

Kidney Tonic – Traditional Chinese and Western herbs combined to support the kidneys. This formula is designed to strengthen and balance the kidney energy – it is not a diuretic. Good sexual health and energy depends on, and is directly related to the health of your kidneys.

Tone Her – Our formula contains herbs of both Eastern and Western origin used by herbalists for a variety of female glandular conditions. An excellent herbal combination for balancing the female endocrine system, resulting in a greater sense of well-being.

Black Cohosh – Herbalists know Black Cohosh lowers blood pressure, lowers cholesterol levels, and reduces mucus production. It helps cardiovascular and circulatory disorders; induces labor (pregnant women should not use until birth is imminent); relieves hot flashes, menstrual cramps, morning sickness (1st and 2nd trimesters) and pain. Acts as a mild anti-inflammatory to relieve irritation of the uterus, cervix, and vagina.
